

EXPEDITION ITINERARY

DAILY SCHEDULE & ACTIVITY OVERVIEW

6:00 AM – 7:00 AM Early Morning Bird Walk

Begin the day with a guided bird walk to explore the surrounding habitats and observe some of the area's diverse bird species during the most active period of the morning.

7:00 AM – 8:30 AM Breakfast

Enjoy breakfast and prepare for the day's main activities.

9:00 AM – 12:00 PM Guided Safari Drive

Embark on a 3-hour safari drive through the park, exploring different habitats and searching for iconic wildlife and bird species with experienced guides.

12:30 PM – 2:00 PM Lunch and Rest

Return for lunch and a short break before the evening activities.

Afternoon Relaxation and Optional Activities

Time to relax, review photographs, explore the surroundings, or engage in additional activities.

6:00 PM Onwards Dinner and Conservation Discussions

Enjoy dinner followed by interactive discussions and knowledge-sharing sessions focused on wildlife conservation, birding experiences, and reflections from the day's activities.
